Full job description

IT Infrastructure Architect

Pay from $121,000 to $185,000 per year

Corporate Headquarters

12575 Uline Drive, Pleasant Prairie, WI 53158

Develop your ideal IT career, crafting custom software solutions, at Uline. Bring your expertise to help manage our industry-leading team behind one of the largest e-commerce sites in the U.S.

Better together! This position is on-site in Pleasant Prairie, WI or Waukegan, IL based on need, and we are looking for people who share our passion.

Position Responsibilities

- Architect, design and deliver highly available, reliable and cost-effective hosting solutions.

- Obtain requirements from end users, department heads or other IT discipline teams.

- Provide guidance, leadership and technical expertise for all IT Hosting Services initiatives.

- Architect, solution and perform POC (Proof of Concept) testing and documentation.

- Work with other teams to create an architectural model before moving forward with POC.

- Document, implement and review IT Hosting Services policies, procedures and solutions.

- Initiate, facilitate and promote activities to foster IT Hosting Services architecture discoveries.

- Initiate, facilitate and promote activities to foster effective Risk Management awareness, including disaster avoidance, change and problem management.

Minimum Requirements

- Bachelor's degree.

- 8+ years experience with VMware, SAN, Windows, and Citrix.

- May require travel to branch and international locations.

- Excellent verbal and written communication skills.

- Demonstrated ability to manage in a matrix and global organization.

Benefits

- Complete health insurance coverage and 401(k) with 6% employer match that starts day one!

- Multiple bonus programs.

- Paid holidays and generous paid time off.

- Tuition Assistance Program that covers professional continuing education.

Employee Perks

- On-site café and first-class fitness center with complimentary personal trainers.

- Over four miles of beautifully maintained walking trails.

About Uline
